

General Price List

We are pleased to provide full disclosure and transparency of all our pricing of funeral merchandise and services. The price quotations are provided to assist you. Further explanation and price quotations from Joseph McPhee Funeral Directors are available upon request.

THESE PRICES ARE EFFECTIVE APRIL 21st, 2013

PRICES SUBJECT TO CHANGE WITHOUT NOTICE

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services of Funeral Director and Staff and Overhead **\$1650**

Our services include: conducting the arrangement conference; planning the funeral; consulting with family and clergy; shelter of remains; clerical and administrative services; preparing and filing of necessary notices; obtaining necessary authorizations and permits; coordinating with the cemetery, crematory, or other third parties. In addition, this fee includes a proportionate share of our basic overhead costs.

***This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)**

Embalming **\$750**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Eco-Friendly “Green” Embalming **\$750**

This fee is for an alternative means of embalming. This is our non-formaldehyde based solution that meets the requirements and standards for non-toxic “green” burial options.
